About MNNIT Allahabad

Motial Nehru National Institute of Technology (MNNIT) Allahabad is one of the premier National Institute of Technology (NIT) in India. It is committed to achieve quality and excellence in academic pursuits. Established in 1961, as a Regional Engineering College, a joint enterprise of Government of India (GOI) and Government of Uttar Pradesh, the institute was transformed into NIT on June 26, 2002. With the enactment of NIT Act-2007 (29 to 2007), the Institute has been granted the status of institution of national importance w.e.f. August 15, 2007.

The Institute offers various undergraduate and postgraduate degree courses such as B.Tech., M.Tech., MCA, MBA, M.Sc., M.S.W and Ph.D. It has been recognized by GOI as one of the Quality Improvement Programme (QIP) centres for the M.Tech. and Ph.D

About Computer Science & Engineering Department

For the first time in India, under graduate program in Computer Science and Engineering was offered in 1977 under Electrical Engineering Department with a modest strength of 10 students.   The department of Computer Science & Engineering was carved out from Electrical Engineering Department on February 1996.

The Department of Computer Science & Engineering offers program leading to a Bachelor of Technology in Computer Science & Engineering, and Bachelor of Information Technology. It also offers Master of Technology in Computer Science & Engineering, Master of Technology in Software Engineering, Master of Technology in Information Security, and Master of Computer Application (M.C.A.). Further, the department also enrolls candidates for Ph.D. program.

A Self-financed Summer Training Program
on
Emerging Trends in Computer Science
(ETCS-2016)

13th June - 9th July 2016

Course Coordinators
Dr. Dharmender Singh Kushwaha
Prof. Neeraj Tyagi
Dr. Mayank Pandey
Dr. A. K. Singh

About ETCS

The Department of Computer Science & Engineering is organizing four week self financed summer Training program on Emerging Trends in Computer Science – ETCS 2016.

The Course is designed for Undergraduate Students of Engineering Institutions. The course has been designed to cover both theoretical as well ass the practical concepts in the respective emerging fields of Computer Science along with the tools and simulators useful for the participants for their Summer Training / Projects / Research Work.

Course Contents

The Course intends to cover Theoretical and Practical aspects of the following emerging areas along with hands on training on the respective state of the art Open Source Simulators and other Tools on :

1. Distributed Computing & Cloud Computing

2. Networking, NS2, Packet Tracer / OMNET

3. Advanced Databases & Big Data

4. Linux System Administration

5. PHP/ MySQL & Java Server Programming

The resource persons for the course shall be the faculty of the Institute itself, eminent speakers from other IIT's / IIIT's / NIT's along with persons from the Industry.

Course Duration

4 Weeks (13th June– 9th July, 2016)

Eligibility Criteria

The program targets the student having sufficient background of computer science & engineering/Information Technology. All the students appearing in the B.Tech. IV semester examination or beyond in UG, II semester MCA students are also eligible to apply.

Registration

To register for this course the applicants will have to pay fees in advance as per the following details.

Category	Fees
UG Students of MNNIT	Rs. 7000/-
UG Students of other Technical Institutes	Rs. 9000/-
MCA, MTech. and Others	Rs. 10000/-

The registration fees should be sent in the form of Demand Draft in favour of "**ETCS**" payable at Allahabad or through

A/C Name	ETCS
A/C Number	718400301000193
Bank Name	VIJAYA BANK
IFSC Code	VIJB0007184

Online banking the details for the online payment is given below.

Limited accommodation may be provided on first come first serve basis to the participants, based on the availability of rooms in the hostel. Charges are very nominal for hostel as well as mess.

Address for Communication

Complete registration form, accompanied by the demand draft/online payment receipt should reach to the course co-coordinator on or before 31st May, 2016 to the address given below. The applicants are also requested to send a scanned copy of the complete registration form and payment details by e-mail to **etcs2016mnnit@gmail.com**. For any further query, you may contact :
