

6th International Conference on Power, Control & Embedded Systems

November 27–29, 2026

Motilal Nehru National Institute of Technology
Allahabad, Prayagraj – 211004, Uttar Pradesh, India
(Technically Co-Sponsored by IEEE Uttar Pradesh Section)

Empowering Sustainable Energy and Technology Solutions

About the Conference

The Department of Electrical Engineering, MNNIT Allahabad, proudly continues its legacy of successfully organizing the ICPCES series (2010, 2012, 2014, 2017, 2023), the upcoming **ICPCES 2026** aims to provide a premier international platform for academicians, researchers, and industry professionals to:

-  **Present cutting-edge research**
-  **Exchange innovative ideas**
-  **Foster interdisciplinary collaborations**

Conference Tracks

- Signal Processing & Communication Systems
- Electronics, Communication & Signal Processing
- Intelligent Transportation & E-Mobility Technologies
- Industrial & Biomedical Instrumentation and Sensors
- Artificial Intelligence, Data Analytics & Intelligent Systems
- Cybersecurity & Cyber-Physical Systems
- Aerospace & Avionics Engineering
- Robotics, Automation & Industry 5.0
- Power Electronics & Drives
- Power Systems & Renewable Energy
- Quantum Computing & Emerging Technologies

All the accepted and presented papers after due review will be submitted to IEEE for publication in IEEE Xplore.

Papers Submission

Submit your paper for **ICPCESMNNIT2026** through CMT (Conference Management Toolkit)
Submission link:
<https://cmt3.research.microsoft.com/ICPCESMNNIT2026>

Important Dates

-  Submission Opens: **March 23, 2026**
-  Submission Deadline: **Aug 15, 2026 (Extended)**
-  Acceptance Notification: **September 5, 2026**
-  Registration Deadline: **November 1, 2026**

Registration Fees (Including GST)

Category (IEEE Members)	Indian Participants (INR)	Foreign Participants (USD)
Student	5700	400
Academia	8000	450
Industry	9000	500

(Non-IEEE Members)

Student	6500	500
Academia	8800	550
Industry	9800	600
