OFFICE OF
Dean Resource Generation and International Affairs
Motilal Nehru National Institute of Technology Allahabad
Prayagraj-211004 (India)

Preamble

India has a great heritage of patronage of education by philanthropists. A number of institutions of higher learning came into existence during the pre-independence period on the initiative of individuals and voluntary organisations well supported by philanthropistsacross India. In order to revive our tradition to support higher education, and to encourage the participation of society in the development of National Institutes of Technology in the country, it is being emphasised by the Government of India to mobilise resources and financial support from alumni as well as from other individuals and organisations.

It is increasingly being realised that a large system of higher education like ours cannot develop only on the resources made available by the Government. Wider participation of alumni, citizens and social/corporate bodies is imperative for creating a conducive learning environment. The corporate world is encouraged to utilise their CSR funds for developing various facilities at the Institutes.

Objectives

Office of Dean RGIA facilitates the process of linking willing donors with the Institute for effective generation of funds.

The broad objectives of this office are as follows:-

i. To enhance international presence of the Institute.
ii. To cultivate international linkages by entering into MoUs for academic and research collaboration.
iii. To develop and foster a symbiotic relationship between the Institute and prospective benefactors such as alumni, social bodies and industry.
iv. To prepare a framework for effective and usefulutilisation of donation fund.

Donation Account

The Institute invites all the alumni, philanthropists and organisations/enterprises to come forward for the cause of creating high quality resources for the future generations of students. The industry partners are also invited to contribute from CSR funds for personality development activities/resources.

A separate bank accountis created for the management of funds generated through externalsources. The details of this account is given below:

Account No. : 38336317154

IFSC CODE :SBIN0002580

Name of customer: MNNIT DONATION ACCOUNT

Address of Bank: State Bank of India MNNIT Branch.

SWIFT: SBININBB828

Please find attached form for the same and may mail filled up form to odeanrgia@mnnit.ac.in

Utilization avenues

The fund mobilised from various sources and stakeholders will be utilized for various purposes as identified by the donor, or other similar activities.Current priorities of the Institute are listed in subsequent sections. At the end of each subsection probable benefits to the donors are also mentioned.

Student Activity Centre (SAC)

The fundamental purpose of education is holistic personality development of youth in the service of nation through application of knowledge. Student activity centre facilitates and nurture the talents of students.

Every year our students win various trophies and championship in the Inter- institute tournaments.

(i) Clubs:

There are various clubs under SAC: for sharpening and enhancing student skill set

(a) Literary events and media (b) Quiz Club (c) Photography Club (d) Music Club(e) Dance Club, (f) Dramatics (g) Arts & Painting(h) Robotics Club (i) Aeromodelling Club(j) Computer Coding Club (k) Technical Club(l) Energy Club.

Each activity/club is looked after by a committee of students which is elected and work under the supervision of a Faculty In Charge and the President SAC.

There is a recurring requirement of funds to refurbish these clubs and to provide impetus student activities.

A list of equipment required for various clubs shall be shared with the donors on request and budget.

(ii) Sponsorship for technical /cultural events

Funds may also be provided for holding various technical/extracurricular events. At present a few major annual events are organized each year, such as Avishkar,Gnosomania, Culrav, Athletic Meet,E-Summit besides, a large numberof other regular events like Spic Macay.

(iii)GymKhana

There are two Gyms on the campus, one each for boys and girls,with two trainers. However, due to paucity of funds these Gym are under-equipped.

There is a need to substantially refurbish the gymkhana to make it truly useful.

Recently alumni (1987 batch) have provided Rubber flooring for the two Gyms. However more funds are required to procure latest equipment. Alistshall be made available to the interested donors.

Interested donors may either directly provide the equipment or may provide fund for refurbishment of the clubs. The Institute shall procure equipment as per concurrent requirement of the students.

Benefit:

All major equipments received/procured through donation shall bear the name of the donor(s). **In case a particular club is fully refurbished, it may be named after the donor or a name given by the donor(s).**

A bulletin board would display the name of donator with donation if donor desires.

Canteen/Cafeteria

A Canteen on campus is not merely a place to eat snacks. It carries various memories to be cherished for decades. There are two canteens on the campus with open air seating.

The first canteen (Café'96) with an air conditioned hall is built with support from alumni (BE 1996 batch).

There is a need for more such outlets.

Minimum outlay for one such provision isRs. 30 lakh(for a 100 square feet).

Benefits: The donors will be duly acknowledge by naming the canteen after them such as Cafe' 96.

Infrastructure

(i) A fully furnished stadium

With the aim to develop student personality in totality, sports and other activities areessential. There are few courts on the campus.

There is a proposal to create a consolidated sports complex with a stadium.

The estimated cost isRs 40 crore.

Innovation/startup/Incubation

The nation is emerging in a big way by creating an eco-system for startups. MNNIT, being a more than sixty year old premier institution in technical education, is committed to inculcate and nurture innovative spirit among the young graduates.

An Institute Innovation Council (IIC) and an Intellectual Property Rights Cell(IPR Cell) have been established to promote and support innovation and entrepreneurship. With limited funds IIC is driving innovative spirit among the students as is evident from recent rankings.**In this regard there are following proposals:**

i. There is a proposal to create an Innovation fund, to provide seed money to the prospective startup.
ii. To establish a pre- incubation centrefor facilitating idea germination and development. Expected cost Rs 2 crore.
iv. MNNIT has filed 40 patent application and has been granted 5 patent in last three years. We needsupport to bear the cost of patent filing and maintenance.
