

# Advancements in Geosynthetics: Sustainable Solutions in Geotechnics

Vijay Kumar<sup>1</sup>, Anupam Rawal<sup>2</sup> and Prashant Kishor<sup>3\*</sup>

<sup>1</sup>Ph.D. Scholar, Department of Civil Engineering, Indian Institute of Technology, Indore, Simrol, 453552, India; email: [phd2401104005@iiti.ac.in](mailto:phd2401104005@iiti.ac.in), <https://orcid.org/0009-0001-9830-2458>

<sup>2</sup>P.G. Scholar, Department of Civil Engineering, Indian Institute of Technology, Indore, Simrol, 453552, India; email: [ce210004032@iiti.ac.in](mailto:ce210004032@iiti.ac.in), <https://orcid.org/0009-0002-7075-8143>

<sup>3</sup>Professor (\*Corresponding Author), Department of Civil Engineering, Indian Institute of Technology, Indore, Simrol, 453552, India; email: [baadigaramu@iiti.ac.in](mailto:baadigaramu@iiti.ac.in), <https://orcid.org/0000-0003-4578-8527>

**ABSTRACT:** Please read all the information given in this template carefully before starting typing. Please use Times New Roman 14 pt font size for the title, and it must be between 50 to 100 characters in length. The abstract must contain a “Problem statement, Approach, Results, and Conclusions”. The size of the abstract must be between 250 to 300 words. Please use this document as a template. Attach both Word and PDF formats during the final submission. Please double-check that Times New Roman 12 pt font size has been used throughout the abstract paper except for the title, which must be 14 pt font size. Visit the conference website and check for any updates, and follow strictly the style given above.

*Keywords: Four or five keywords (The first characters of each key are in capital/uppercase letters), Italic*
